

Monarch High School Physical Education Waiver

Name _____ Grade _____ School Year _____

BVSD Board Policy IKF:

A maximum of 10 of the 15 physical education credits may be waived* based on participation in comparable school activities (i.e., two credits may be waived* for each CHSAA approved sport successfully completed) or comparable activities outside the school program (i.e., one credit may be waived* for each supervised activity that is at a sophisticated and competitive skill level as determined by the building principal).

*Credit will not be granted for school or outside activities when they are used for waiving or physical education credits. Students are required to take 220 units to fulfill the graduation requirements.

In order to qualify as a replacement for the physical education requirement, an activity must:

- Be adult directed and supervised
- A description of the activity must be documented in writing, including the instructor's signature before approval can be granted.
- The activity must take place during the school year (first day of class in August to the last day of class in May)

If the above criteria are met, the student must further understand the following:

- A maximum of 10 credits in PE can be waived,
- Five (5) units of credits in Comprehensive Physical Education (P20) must be completed to meet the graduation requirement.
- Waivers are granted; class credit is not given.
- All students must meet the 220 credit minimum in order to graduate.

Describe the activity:

Describe in what way the activity is comparable to a CHSAA approved sport in level of sophistication and level of competition:
